Patient Test

Patient Name Jodi Zaffiri

Why I Entered the Office:

I was just feeling ~~bad~~ like I needed to be fixed. Little did I know I really needed to be fixed. X-rays showed that my spine was not good.

How Chiropractic Helped Me:

After a few months of daily adjustments my spine was 90% better. I felt 100% better. It relaxes me and I feel like I can move my neck like normal. The best part = I made a meet wonderful people & friends!! Also, learned about detoxing my body and the supplements are wonderful!
