Dear Beth & Nate,

Let me take this moment to say Thank You for all you have done for me this past year. It hasn't been the easiest for me to say the least, but when I walk into your office I know there are people there that truly care about how I feel. Beth, taking care of me the way you did on Thursday the 11th restores my faith in Human kind. I was beginning to like the Deer that roam around my yard much better than people. You are an Angel, I Love You, Kiddo! Nate, Thank You for all you have done and continue to do. Had it not been for the two of you I would have lost my whole business. The customer that I thought I had lost called me and I cleaned for her last Friday for the 1st time and they were very happy. I was in some discomfort but made it through. Snow storm and all. May God continue to Bless you both. As we go through life we meet a lot of different people, some good, some not so much. I am Blessed to know you both.

With love & respect,

Sher
